LEGACY CELEBRATION

2023

Sponsorship Opportunities

The 12th annual Fannie Lou Hamer Legacy Celebration is a fundraising event highlighting the lifelong achievements of Mrs. Hamer, an uncompromising advocate for social justice and a forerunner in the food justice movement. All event proceeds will support the creation of **The Village** - an equitable food-orientated development project in Southeastern San Diego.

As the premier fundraising event for Project New Village, this gathering is both meaningful and joyous as we celebrate our victories and achievements, and commemorate those who have dedicated so much to the work we do.

Support for our Mission

Proceeds from this fundraiser will go towards our mission of creating equitable good food access to the communities of Southeastern San Diego. This year is incredibly important in our food justice journey, as we have begun the pre-development process of building **The Village**, a community good food hub located in Mt. Hope. By sponsoring this event, you are bringing us one step closer to completing this project that will forever improve the food system landscape in Southeastern San Diego.
